UNITED STATES AIR FORCE

## TECHNICAL SERGEANT ANDREW L. BEAN

Technical Sergeant Bean is the Officer Accessions Instructor at Detachment 115, University of Connecticut, Storrs, Connecticut. Sergeant Bean serves as the detachment's Enlisted Leader and enlisted advisor to the detachment commander on cadet actions. Additionally, he teaches the AS100 level course, instructing on the fundamentals of Air Force history, operations, and procedures.

Technical Sergeant Bean enlisted in the United States Air Force in July of 2011 as an Aerospace Medical Technician, before being specialized into Flight Medicine. During his career Sergeant Bean has held certifications as a National Registered Emergency Medical Technician as well as a Licensed Practical Nurse. He has provided medical care and operational support to C-17, KC-135, F-16, HH-60, U-28 and C-130 Pilots and Aircrew across the globe. He most recently supported the 25th Intelligence Squadron as the embedded Flight Medic at Hurlburt Field, Florida..
